## Message from the Managing Director

### From Seed to Triumph

Every journey of success begins with a single step, and every huge tree was once a tiny seed. It all depends on how well it was nurtured over the years. Congratulations to all our students of Techno India Group Public Schools for coming out with flying colours in the board examinations. They are the builders of our future, and I have faith in each of them that they will grow up to become global changemakers.

Each success story is a shining testament to a journey of growth – from seeds to triumph – just like a seed carries within it the promise of becoming a mighty tree, our students have nurtured their potential through persistent effort, guided by the unwavering support of teachers and families. Today, as they bloom into achievers, we are reminded that true triumph lies beyond examination marks – in resilience, in growth, and in values.

Wishing this edition of the school newsletter every success in celebrating the spirit of achievement, growth, and inspiration.

## RABINDRA JAYANTI CELEBRATION

Techno India Bolpur unit proudly celebrated Rabindra Jayanti commemorating the birth anniversary of Gurudev Rabindranath Tagore, with great enthusiasm and reverence. On this auspicious occasion, the Cultural Department of our school, proudly organized a special workshop celebrating the vibrant art of Santiniketan-Style 'Alpona'.

To mark the joyous occasion of Poila Boishakh, a heartwarming activity was organized for students from PG to Class II. The little ones, with innocent glee and boundless enthusiasm, poured their hearts onto paper cards, creating vibrant masterpieces that reflected their purest emotions. With every stroke of colour and every sprinkle of creativity, they expressed their deep love and gratitude for their parents. The atmosphere was filled with festive cheer as these young artists celebrated the New Year in the most touching and meaningful way—through the art of love.

Students of Classes IX to XII, along with the teachers attended the session and got updated with various information related to savings, insurance policies and other finance related matters.

On the occasion of foundation day, TIGPS BOLPUR took the initiative to visit Donai Pur tribal village ( Birbhum) with a good number of students and teachers under TECHNO GRAM SEWA (founded by our honorable M.D. Sir Mr Satyam Roy Chaudhury). The students distributed food packets ( Kachuri, Alu dum, Misti, Frooti )and stationery ( pen& pencil) to the under privileged children.

To share the joy and glory of TIGPS BOLPUR foundation day, this interaction noted as a remarkable event to inculcate fello feeling and share and care thought among our children and a great initiative towards the betterment of the society.

"Small actions, when multiplied by millions, can transform the planet. Let our initiative be the seed of lasting change."
